- If a customer chooses to pick up their order at your Service Store, the shipping charge is fixed at 25 rupees per order.

2. Home Delivery:

- If a customer prefers to have their order delivered to their home, the shipping charge is 50 rupees per order.

3. Outside Cities:

- For customers residing outside of your service cities, they will need to pay shipping charges according to the rates set by shipping service providers. This indicates that the shipping charges for such orders will vary depending on the destination and the shipping service chosen.
